Payson Pro Rodeo Code of Ethics and Rules of Conduct

The Payson Pro Rodeo Committee Code of Ethics and Rules of Conduct is a necessary standard governing the behavior and actions of our Members and Volunteers. We are confident that adherence to them will result in a more enjoyable experience for all. Failure to adhere to the Code of Ethics and Rules of Conduct will result in a Board of Directors review of your participation.

1. At all Committee sponsored events, Members and Volunteers will be courteous, respectful, and professional in their dealings and communications. Absent this ability, Members and Volunteers should avoid interaction with others. However, sincere attempts to "clear the air" and statements of fact are not always confrontational.
2. Any Member or Volunteer working an event where the Payson Pro Rodeo Committee has a **special event liquor license issued by the state of Arizona**, shall not consume any alcohol before or during the special event.
3. Members shall use discretion when discussing internal committee business in public.
4. Respect "Roberts Rules of Order" during all meetings.
5. Members and Volunteers have a duty to advise the Board of any person engaging in any activity they believe is detrimental to the best interests of the Committee. However, they must produce evidence. The form in which this evidence may appear is unrestricted and will be weighed and considered carefully and deliberately.

I certify that I have read and understand the above.
